WHY NACDL?

NACDL is the preeminent organization in the United States advancing the mission of the nation's criminal defense lawyers to ensure justice and due process for persons accused of crime or other misconduct. A professional bar association founded in 1958, NACDL has thousands of direct members in 28 countries — and 90 state, provincial, and local affiliate organizations totaling up to 40,000 attorneys — including private criminal defense lawyers, public defenders, active U.S. military defense counsel, law professors and judges committed to preserving fairness within America's criminal justice system.

NACDL envisions a society where all individuals receive fair, rational, and humane treatment within the criminal justice system.

NACDL's mission is to serve as a leader, alongside diverse coalitions, in identifying and reforming flaws and inequities in the criminal justice system, and redressing systemic racism, and ensuring that its members and others in the criminal defense bar are fully equipped to serve all accused persons at the highest level.

RULES & REGULATIONS FOR EXHIBITS

Eligibility to Exhibit

NACDL reserves the right to determine the acceptability of applications for exhibit space.

The products or services to be exhibited must be of professional or educational interest, or beneficial to the registrant and are, in the opinion of NACDL, related to the field of criminal defense law.

Character of the exhibits is subject to approval by the Exhibit Manager before and during the show. The right is reserved to refuse contract applications from concerns not meeting standards required or expected, or to relocate an exhibit for the good of the show, as well as the right to curtail exhibits or parts of exhibits that reflect against the character of the meeting. This applies to discount offers, display literature, advertising novelties, souvenirs, conduct of persons, etc. Subleasing/sharing of exhibit space is prohibited. Exhibitors must confine their activities to within their booth.

Space Assignment

All applications for exhibit space at NACDL's seminar must be made on the official contract form. Include a 30-word description of the products or services to be featured in the exhibit for approval of the Exhibit Manager and inclusion in the Program Book. This description is to be emailed to jpetty@nacdl.org within seven days of contract submission. NACDL bases space assignments on the order in which reservations are received and are subject to change as deemed necessary.

No set-up or moving of material or equipment is permitted during exhibit hours. As a courtesy to the registrants and your fellow exhibitors, please be certain that your booth is staffed during all exhibit hours.

Dismantling

Only permitted at the completion of the event as per the instruction of the Exhibits Manager unless otherwise agreed upon in advance of the start of the event. **Packing of equipment, literature, etc., or dismantling of exhibits will NOT be permitted until the official closing time.** Exhibitors who do not comply will be given "last choice" for booth selection the following year.

Shipping Instructions

NACDL's Exhibits Manager will send an exhibitor's service manual detailing procedures for handling shipments and providing rates to each exhibitor approximately 45 days prior to the meeting.

Internet, AV, and Electricity

Please note that Electricity, AV, and Internet Services are not included with exhibit space but information on how to obtain these items from the hotel/meeting site will be included in the previously mentioned service manual from NACDL.

Exhibitor Registration

Each exhibit space is entitled to three conference registrations and these names are to be included with the Exhibitor Contract.

Hotel Accommodations

To obtain hotel discounted rates, please visit NACDL.org.

Conducting Exhibits

All exhibit dimensions must conform to standards set by the NACDL, which are as follows: backgrounds must not exceed 10' in height, including the sign, and must not protrude from the back wall more than a maximum of 36"; foregrounds must not extend more than 24" above the table height. Please note: Standard Exhibitor (**6 Ft. Max Width**), Featured Exhibitor (**8 Ft. Max Width**), Premium Exhibitor (**12 Ft. Max Width**)

All measurements shown on the floor plan have been made as accurately as possible. However, NACDL reserves the right to make such modifications as may be needed, making equitable adjustments with the affected exhibitors. Floor plan updates will be sent to exhibitors no less than 10 days before event.

All exhibiting companies must remain within the confines of their own exhibit space, and no exhibitor will be permitted to erect signs or display products in such a manner as to obstruct the view or disadvantageously affect the display of other exhibitors. Inspections of the exhibits will be made during set-up time by both NACDL Management and Fire Marshal and an effort made to advise the exhibitor of any deviation from the exhibit rules. Canvassing or distributing advertising matter outside of the exhibitor's rented space is not permitted and is grounds for removal from the exhibit hall and permanent banishment from future NACDL exhibitions.

Electrical or other mechanical apparatus must be muffled for noise and positioned so as not to interfere with other exhibits. X-ray equipment may not be operated. Volatile or flammable liquids, gases, unprotected picture film, other explosive or flammable matter or material (including uncertified table skirting or draping provided by the exhibitor), or any substance prohibited by City laws or insurance carriers, are not permitted on the premises.

All demonstrations or other promotional activities including the distribution of circulars must be confined to the limits of the exhibit space. Show Management reserves the right to restrict the operation of, or evict completely, any exhibit, which, in its sole opinion, detracts from the general character of the exposition as a whole. Microphones are not permitted. Exhibits which include the operation of musical instruments, radios, sound projection equipment or any noisemaking machines must be conducted or arranged so that the sound resulting from the demonstration will neither annoy or disturb adjacent exhibitors and their patrons, nor cause the aisles to be blocked. It is strictly prohibited to publicize and/or maintain any extracurricular activities, inducements, or demonstrations away from the exhibition area during the exhibit hours.

Exhibiting companies who desire to engage in prize drawings, giveaways, or other promotional activity within their exhibit space must receive permission from Exhibit Manager and submit their intention in writing 30 days prior to the opening of the exhibit space. The use of live models, performers, and other similar persons, and those other than regular full-time staff members of the exhibiting firm or organization, within the exhibit area for demonstrations, performances, etc. shall be subject to the approval of Exhibit Management.

No balloons or other helium-inflated items can be used within the exhibit hall unless approved in advance and in writing by NACDL.

Nothing can be adhered to hotel/exhibit space walls.

Liability

The Exhibitor assumes entire responsibility and agrees to protect, indemnify, defend and save NACDL and the hotel and its employees and agents harmless against all claims, losses, and damages to persons or property, governmental charges or fines, and attorney's fees arising out of or caused by Exhibitor's installation, removal, maintenance, occupancy or use of the exhibition premises or a part thereof. In addition, it is the sole responsibility of the Exhibitor to obtain business interruption and property damage insurance covering such losses by Exhibitor. The Exhibitor further agrees that it will not exhibit its products, accessories, supplies, or equipment in such a manner as to cause injury to any person on the premises or to any other property and NACDL reserves the right of final review and exhibit display onsite.

It is the responsibility of the exhibitor to obtain full comprehensive insurance coverage, and to secure materials. NACDL will make every effort to protect the exhibit space (its contents and occupants) by providing security guards; however, NACDL, and the facility do not guarantee or protect the exhibitor against loss or damage of any kind. It is the sole responsibility of the exhibitor to protect their personal property. It is also the responsibility of the exhibitor to rent any sort of electric, audio/visual or internet for their booth.
