8/15/18 8:51 PM	X	Comey	Once again this president is sending a message that he will punish people who disagree with him and reward those who praise him. In a democracy, security clearances should not be used as pawns in a petty political game to distract voters from even bigger problems. This president befriends and praises despots and dictators like Putin and Kim Jong-un. Those friends provide stark contrast to the patriotic Americans and public servants he disrespects, threatens, and calls enemies: a war hero like John McCain, members of our country's free press, and devoted public servants like John Brennan. American voters must not shrug off or be distracted from the terrible behaviors of this president, who lies to the American people every day, encourages racism, is a misogynist, and always puts his own interests above those of the United States of America. 5/17/25 8:34 AM	Truth Social	Trump	Whoever had control of the "AUTOPEN" is looking to be a bigger and bigger scandal by the moment. It is a major part of the real crime, THAT THE PRESIDENTIAL ELECTION OF 2020 WAS RIGGED AND STOLEN! Millions and millions of people knew that, but the Radical Left Democrats waged a campaign of inoculation and innocence like none that had ever been waged before. THIS IS WHY THE UNSELECT COMMITTEE OF POLITICAL THUGS, WHO WERE GIVEN A FULL AND COMPLETE PARDON BY THE PERSON WHO WIELDED THE NOW ILLEGALLY USED AUTOPEN, DELETED AND DESTROYED ALL EVIDENCE AND INFORMATION FROM THEIR CORRUPT AND VICIOUS WITCH HUNT AGAINST ME, AND MANY OTHER PEOPLE, WHOSE LIVES WERE COMPLETELY SHATTERED AND DESTROYED BY THIS HISTORICALLY CRIMINAL EVENT. Remember, it all began with DIRTY COP James Comey, Obama, a hapless and cognitively impaired Sleepy Joe Biden, and my now very famous ACCUSATION that,"THEY SPIED ON MY CAMPAIGN!" Whoever had control of the Autopen is just the beginning. The biggest crime of all is that THE 2020 PRESIDENTIAL ELECTION WAS RIGGED! I (MAGA!) 7/10/25 9:13 AM	Truth Social	Trump	The GREAT Gregg Jarrett: "It's clear Trump was framed. The collusion narrative was a conspiracy itself. The collaborators knew it was a lie, but they manipulated the Dossier and the CIA to peddle their fairy tale. Brennan and Comey manipulated the system, and the document itself. They abused their power. Comey lauched a case against Trump in violation of the FBI Regulations. He deceived the FISA Court with the Dossier to gain a Spy Warrant. John Brennan used that Dossier knowing it was GARBAGE, and he insisted it be put in the Intelligence Committee Assessment. He knew it was such a Phony Document and that if it could be put in the Intelligence Committee Assessment, it will elevate the credibility and that he could drive Trump from office. He told Congress that it wasn't in the Assessment - WELL IT WAS! Can he be charged? YES HE CAN! They eroded confidence and trust in the American Government, particularly the FBI, CIA, and other agencies, single-handedly. THEY SET BACK AMERICA CONSIDERABLY. James Comey needs daily therapy. He is so obsessed with his hatred of Trump. It's what drove the Russia Hoax. He, more than anybody else, drove the Witch Hunt, and he can never get over the fact that he failed, and got fired - And he hates that, as well. On his way out the door, he purloined FBI Documents and leaked them to the Media with the plan that this will trigger the Special Counsel and drive Trump from office. Bob Mueller was appointed, his long time mentor and friend. But in the end his scheme failed!" Wow, thank you Gregg, AMAZING REPORTING!	https://perma.cc/V9HV-SBAP

7/12/25 5:21 PM	Truth Social	Trump	What's going on with my "boys" and, in some cases, "gals?" They're all going after Attorney General Pam Bondi, who is doing a FANTASTIC JOB! We're on one Team, MAGA, and I don't like what's happening. We have a PERFECT Administration, THE TALK OF THE WORLD, and "selfish people" are trying to hurt it, all over a guy who never dies, Jeffrey Epstein. For years, it's Epstein, over and over again. Why are we giving publicity to Files written by Obama, Crooked Hillary, Comey, Brennan, and the Losers and Criminals of the Biden Administration, who conned the World with the Russia, Russia, Russia Hoax, 51 "Intelligence" Agents, "THE LAPTOP FROM HELL," and more? They created the Epstein Files, just like they created the FAKE Hillary Clinton/Christopher Steele Dossier that they used on me, and now my so-called "friends" are playing right into their hands. Why didn't these Radical Left Lunatics release the Epstein Files? If there was ANYTHING in there that could have hurt the MAGA Movement, why didn't they use it? They haven't even given up on the John F. Kennedy or Martin Luther King, Jr. Files. No matter how much success we have had, securing the Border, deporting Criminals, fixing the Economy, Energy Dominance, a Safer World where Iran will not have Nuclear Weapons, it's never enough for some people. We are about to achieve more in 6 months than any other Administration has achieved in over 100 years, and we have so much more to do. We are saving our Country and, MAKING AMERICA GREAT AGAIN, which will continue to be our complete PRIORITY. The Left is imploding! Kash Patel, and the FBI, must be focused on investigating Voter Fraud, Political Corruption, ActBlue, The Rigged and Stolen Election of 2020, and arresting Thugs and Criminals, instead of spending month after month looking at nothing but the same old, Radical Left inspired Documents on Jeffrey Epstein. 7/17/25 8:33 PM	Truth Social	Trump	The Wall Street Journal, and Rupert Murdoch, personally, were warned directly by President Donald J. Trump that the supposed letter they printed by President Trump to Epstein was a FAKE and, if they print it, they will be sued. Mr. Murdoch stated that he would take care of it but, obviously, did not have the power to do so. The Editor of The Wall Street Journal, Emma Tucker, was told directly by Karoline Leavitt, and by President Trump, that the letter was a FAKE, but Emma Tucker didn't want to hear that. Instead, they are going with a false, malicious, and defamatory story anyway. President Trump will be suing The Wall Street Journal, NewsCorp, and Mr. Murdoch, shortly. The Press has to learn to be truthful, and not rely on sources that probably don't even exist. President Trump has already beaten George Stephanopoulos/ABC, 60 Minutes/CBS, and others, and looks forward to suing and holding accountable the once great Wall Street Journal. It has truly turned out to be a "Disgusting and Filthy Rag" and, writing defamatory lies like this, shows their desperation to remain relevant. If there were any truth at all on the Epstein Hoax, as it pertains to President Trump, this information would have been revealed by Comey, Brennan, Crooked Hillary, and other Radical Left Lunatics years ago. It certainly would not have sat in a file waiting for "TRUMP" to have won three Elections. This is yet another example of FAKE NEWS!	https://perma.cc/38T8-Y726

9/27/25 12:00 AM	Truth Social	Trump	It was just revealed that the FBI had secretly placed, against all Rules, Regulations, Protocols, and Standards, 274 FBI Agents into the Crowd just prior to, and during, the January 6th Hoax. This is different from what Director Christopher Wray stated, over and over again! That's right, as it now turns out, FBI Agents were at, and in, the January 6th Protest, probably acting as Agitators and Insurrectionists, but certainly not as "Law Enforcement Officials." I want to know who each and every one of these so-called "Agents" are, and what they were up to on that now "Historic" Day. Many Great American Patriots were made to pay a very big price only for the love of their Country. I owe this investigation of "Dirty Cops and Crooked Politicians" to them! Christopher Wray, the then Director of the FBI, has some major explaining to do. That's two in a row, Comey and Wray, who got caught LYING, with our Great Country at stake. WE CAN NEVER LET THIS HAPPEN TO AMERICA AGAIN!	https://perma.cc/4VS4-U2CL
