

## DUI / Criminal Defense Attorney — The H Law Group (Los Angeles)

---

### The H Law Group — Los Angeles, CA

**Compensation:** \$80,000–\$120,000 annually (commensurate with experience)

**Employment Type:** Full-Time

**Location:** Los Angeles, CA (714 W. Olympic Blvd, Los Angeles, CA 90015)

### The Opportunity

The H Law Group is hiring a DUI / Criminal Defense Attorney to join our Los Angeles team. You will manage your own caseload of DUI and criminal defense matters from intake through resolution — including client consultations, court appearances, DMV hearings, motions practice, plea negotiations, and trials.

We defend clients facing life-altering charges across LA County courthouses, and we're looking for an attorney who shares our belief that every person charged with a crime is entitled to a vigorous, personalized defense.

### What You'll Do

- Independently manage a caseload of DUI and criminal defense cases across Los Angeles County
- Handle all phases of criminal cases: arraignments, pretrial hearings, motions, plea negotiations, and trials
- Represent clients in misdemeanor DUI, felony DUI, DUI with injury, refusal cases, and DMV Administrative Per Se (APS) hearings
- Defend clients in additional criminal matters including drug offenses, theft crimes, assault, domestic violence, and other misdemeanor and felony charges
- Appear in LA County courthouses including Airport, Van Nuys, Compton, Downtown, Pasadena, Torrance, Long Beach, and surrounding courts
- Conduct client intake, prepare defense strategies, and communicate case developments to clients
- Collaborate with the founding attorney and support staff while maintaining autonomy over your own cases

### What We're Looking For

- **Active member of the California State Bar in good standing** (required)
- **Genuine commitment to criminal defense** — we want attorneys who believe in what they do
- **Courtroom experience:** comfort with judges, prosecutors, and courtroom procedures in LA County is a strong plus
- **DUI-specific knowledge is preferred but not required** — familiarity with field sobriety tests, breathalyzer/blood draw science, Title 17 regulations, implied consent laws, and sentencing enhancements is a significant advantage
- Strong legal research, writing, and oral advocacy skills
- Ability to manage multiple cases simultaneously and meet court deadlines

- **Spanish-speaking ability is a strong plus** given LA's diverse client base, but not required
- **All experience levels considered** — from recent bar admittees to experienced trial attorneys

## Why The H Law Group

- **Your own caseload from day one.** Real responsibility and real autonomy — not busywork.
- **Courtroom time.** We're a litigation-focused firm. You'll be in court regularly, building the trial skills that define a career in criminal defense.
- **Meaningful work.** You'll defend people at one of the most difficult moments of their lives. The outcomes you achieve directly change the trajectory of someone's future.
- **Established firm, growing team.** The H Law Group has served clients across California since 2010. You'll join a firm with an existing reputation, steady caseload, and support infrastructure.
- **Competitive compensation.** \$80,000–\$120,000 annually, commensurate with experience, plus benefits.
